MAIN OBJECTIVE:

The function committee unites people in purpose, direction and action in charitable and social functions to support the parish. It provides opportunities for all parishioners to come together to gain a sense of belonging within the parish and the community at large. It plans activities and opportunities for the parish members to socialize and celebrate together through social events throughout the year.

OTHER OBJECTIVES:

Encourage the church community to come together in joy and fellowship

To give people a deeper sense of belonging

To give people an opportunity to use their talents in the service of others

To take some responsibility for fundraising and hence take an active part in contributing to the financial commitments of the parish
