MAIN OBJECTIVE:

The Good Friday Organising Group aims to provide a better understanding of the greatest event in the catholic faith for the community of Our Lady of Victories and Our Lady Queen of Peace, as well as for other catholic communities from multicultural backgrounds. This is achieved through a very solemn pageant of the passion of our saviour.

OTHER OBJECTIVES:

The organising group also focuses on a week of reflection with nightly Lenten sermons

Our Lady of Sorrows is remembered with the Stations of the Cross outside the church. This is achieved through a procession with the statue of Our Lady of Sorrows and a healing mass for the whole community

Since its inception, the organising group has intended that an Easter Sunday celebration would include a procession with the statue of The Risen Lord and an outdoor celebration for the whole community and other communities
